Wherever in this brochure the words “Carma Developers Ltd.” appear, from and after September 30, 2005 such words shall be deemed to have been changed to “Carma Developers LP”. Without limiting the foregoing, effective September 30, 2005 all of the interest of Carma Developers Ltd. in the Summerside Management Agreement (as it may have been amended from time to time), was assigned to Carma Developers LP, a limited partnership formed pursuant to the laws of the Province of Alberta.

SUMMERSIDE RESIDENTS ASSOCIATION BROCHURE

JULY, 2000

Description of Summerside Residents Association Lands

Carma Developers Ltd. ("Carma") is developing a new residential community in the south portion of the City of Edmonton, known generally as Summerside. Summerside is located within the Ellerslie Area Structure Plan, as approved by the City of Edmonton (the "City"). The Ellerslie Area Structure Plan contains approximately 3000 acres of land substantially as shown on Exhibit 1 of Schedule A to this brochure (hereafter called the "ASP Lands"). Carma owns approximately 1600 acres of the ASP Lands.

Carma's development in the ASP Lands over the first few years will be concentrated on the approximately 662 acres of land owned by Carma in the easterly portion of the ASP Lands as outlined on Exhibit 1 of Schedule A to this brochure (hereafter called the "Summerside Lands"). It is presently anticipated that the Summerside Lands will be comprised of approximately 3500 to 4000 residential units (including both single-family and multi-family homes) and up to approximately 56 acres of developable commercial lands. These are only estimates for the Summerside Lands based on current plans. The Summerside development may, on Carma's approval and in its discretion, be expanded to include part or all of the remaining lands in the ASP Lands owned by Carma or by others, and possibly other lands within the vicinity of the ASP Lands which are owned by Carma or by others. If that occurs, then such other lands as Carma so determines shall be deemed to be included in the Summerside Lands.

In developing the Summerside Lands, Carma has or will be including certain amenities in addition to the requirements of the City. Certain of these amenities will be developed on public land to be transferred to the City by Carma, however such amenities may be operated by a private residents' association for the lasting benefit of all residents. Certain other amenities will be developed on lands to be transferred to that residents' association, to be owned and operated by it for the benefit of the residents of the Summerside Lands. These amenities are considered by Carma as necessary to complement Summerside's overall development concept and to clearly distinguish Summerside from other more conventional communities. In addition, Carma has registered or will register against the titles to the Summerside Lands such guidelines as Carma determines, for the purpose of ensuring appropriate architectural integrity of development within the Summerside Lands.

It is anticipated that Carma will provide overall direction and management of the operations of the residents' association for so long as Carma is actively developing the Summerside Lands.

Summerside Residents Association

Carma has incorporated the Summerside Residents Association (the "Association") as the residents' association which will be responsible for the maintenance of certain amenities, and in some cases, ownership of those amenities, located in the Summerside Lands. The Association may also be responsible for the enforcement of the architectural controls referred to above.

The Association will also provide certain financial and administrative services including the collection of fees from the residents of the Summerside Lands. These fees are necessary to fund the operations of the Association and the maintenance and operation of the amenities. The operations of the Association may be expanded to include other functions which are of common benefit to members.

The owners of single family and multi-family residential lots (including condominium units), multi-family rental projects and commercial developments within the Summerside Lands, are all automatically members of, and are required to remain members of, the Association and will be responsible for the timely payment of membership fees to the Association as hereinafter set forth. A copy of the Memorandum of Association and Articles of Association of the Association are attached to this brochure as Schedules B and C respectively.

The schedules which form a part of this Brochure are the following:

Schedule A	Summerside Management Agreement
Schedule B	Summerside Residents Association Memorandum of Association
Schedule C	Summerside Residents Association Articles of Association
Schedule D	Standard Encumbrance
Schedule E	Lakeshore Encumbrance
Schedule F	Lake Access Encumbrance
Schedule G	Lakeshore Restrictive Covenant
Schedule H	Walkway Easement
Schedule I	Lake Vicinity Restrictive Covenant
Schedule J	Lake and Beach Club Restrictive Covenant

Schedule K Rules and Regulations

Description of Summerside Amenities

Carma at its separate cost is in the course of constructing and developing, and will be constructing and developing, certain amenities (the "Summerside Amenities") within the Summerside Lands, presently anticipated to consist of a lake, a beach club, private walkways connecting directly to the lake ("Walkways"), community entranceway features, neighbourhood parks and such other amenities situate on public and private lands as Carma may determine in the course of developing the Summerside Lands.

Carma may, at its sole discretion in its future planning and development of the Summerside Lands, provide at Carma's separate cost additional amenities as part of the Summerside Amenities. The location, character, nature of improvements on, and final acreage and boundaries of, the Summerside Amenities are subject to the approval of the City and other regulatory authorities, and also subject to negotiations between Carma and the City and, possibly, other developers of lands within the Summerside Lands.

It is anticipated that the residents and other owners of land within the Summerside Lands may wish to create further amenities or improvements for the benefit of the Summerside Lands and its residents (in addition to the Summerside Amenities), but unless it agrees otherwise, Carma shall have no responsibility for the development or operation of any such further amenities or improvements.

Carma will attempt to have the title to each lakeshore residential lot and site (a "Lakeshore Lot") within the Summerside Lands be made subject to a restrictive covenant generally in the form of Schedule G to this brochure, so as to enhance the appearance of the lake forming part of the Summerside Amenities. Carma will also attempt to have the title to each residential lot that is adjacent to a Walkway (a "Lake Access Lot") within the Summerside Lands, to receive the benefit of and be made subject to an easement generally in the form of Schedule H to this brochure, so as to provide access from the Lake Access Lots over such Walkways. Those residential lots and sites within the Summerside Lands that are neither Lakeshore Lots nor Lake Access Lots, are referred to as "Standard Lots" in this brochure. Carma may also, in its discretion, have certain lots in the vicinity of the Lake be made subject to a restrictive covenant generally in the form of Schedule I to this brochure.

Carma will also attempt to have the title to such lake and beach club within the Summerside Lands be made subject to a restrictive covenant generally in the form of Schedule I to this brochure, so as to preserve the use of the lake and beach club as an amenity for the benefit of all members of the Association.

The Association will assume responsibility for the Summerside Amenities and, if the Association so wishes, for the enhanced maintenance of certain publicly owned lands within the Summerside Lands including, but not limited to, public parks, public utility lots and boulevards. This may include arrangements with the City or others relating to such maintenance. The management, and where applicable the ownership, of the Summerside Amenities will be transferred to the Association in accordance with the terms of the

Summerside Management Agreement attached as Schedule A hereto. The use and enjoyment of the Summerside Amenities will also be subject to the rules and regulations contained in Schedule J hereto, as such rules and regulations may be modified from time to time by the Association.

Carma will use its best efforts to carry out the above commitments; however, its ability to do so and the timing of their completion are subject to receiving all required governmental and City approvals, and any events beyond Carma's reasonable control which may delay such completion.

The Association's minimum maintenance and indemnity obligations in respect of that part of the Summerside Amenities located on public lands to be transferred to the City may be the subject of agreements to be concluded between the City and Carma, which will be assumed by the Association at Carma's direction.

Operation of the Summerside Residents Association by Carma

On or before the later of the date on which Carma has sold its last lands in the Summerside Lands, or the date upon which the Association has repaid any loans owing to Carma, Carma intends to transfer to the Association the overall management of the Association and the operation of the Summerside Amenities. As long as Carma is managing the Association, an operating budget so as to allow for its proper operation, as determined in the sole opinion of Carma, shall be approved by Carma and if such operating budget is not fully funded by the income received from the Encumbrances or any other sources of income available to the Association, Carma agrees to loan sufficient funds to the Association, on normal commercial terms, in order to meet such budgeted expenses. Any income received by the Association in excess of actual operating expenses shall forthwith be used by it to repay any outstanding Carma loans.

Carma will operate, maintain and manage the Summerside Amenities until it has fully transferred the overall management of the Association. As set forth in the Summerside Management Agreement attached hereto, Carma shall be entitled to retain agents for the administration, operation and overall management of the Association and the Summerside Amenities. Except for reimbursement for its direct costs and out of pocket expenses, Carma will not be entitled to any fees for such operation and management.

Encumbrances

To pay for the operations of the Association, including the operation and maintenance of the Summerside Amenities, Carma will attempt to have the title of each single family and multi-family residential lot, rental project, condominium unit, and commercial development in the Summerside Lands be made subject to a rent charge Encumbrance in favour of the Association, securing payment to the Association of a fee. In the case of Standard Lots comprised of single family units, multi-family rental projects or condominium units, the Encumbrance will generally be in the form of Schedule D to this brochure and the amount of such Encumbrance for each such lot or unit shall be TWO

HUNDRED FIFTY DOLLARS (\$250.00) per year, subject to adjustment for inflation as provided in the Encumbrance. In the case of Lakeshore Lots comprised of single family units, multi-family rental projects or condominium units, the Encumbrance will be generally in the form of Schedule E hereto and the amount of such Encumbrance for each such lot or unit shall be SIX HUNDRED DOLLARS (\$600.00) per year, subject to adjustment for inflation as provided in the Encumbrance. In the case of Lake Access Lots comprised of single family units, multi-family rental projects or condominium units, the Encumbrance will be generally in the form of Schedule F hereto and the amount of such Encumbrance for each such lot or unit shall be THREE HUNDRED FIFTY DOLLARS (\$350.00) per year, subject to adjustment for inflation as provided in the Encumbrance. In the case of any commercial developments, the amount of such encumbrance shall be calculated on the basis of ONE HUNDRED TWENTY FIVE DOLLARS (\$125.00) per year for each acre of land, subject to adjustment as provided in the encumbrance. The Association may in any year choose to charge an amount of fees other than that provided for in the Encumbrance. The undersigned agrees to require any purchaser or transferee of the undersigned's lands in the Summerside Lands to assume all the undersigned's obligations under this Brochure (including the Schedules hereto) and to execute in favour of the Association an Encumbrance in like form of Schedule D, Schedule E or Schedule F as applicable, as a condition to any such purchase or transfer. The payment of annual fees, and membership in the Association, are more fully explained in the Association's Articles of Association which are attached as Schedule C to this brochure.

Acknowledgments by Purchaser

The undersigned acknowledges and is aware that, pursuant to the Summerside Management Agreement, Carma has undertaken the full responsibility for the design, engineering, development and construction of and the initial management and operation of the Summerside Amenities, and the initial overall management and operation of the Association, and Carma has the complete and unfettered right and authority from the Association to carry out such responsibilities in such manner as it sees fit. The undersigned acknowledges that the Association (as set out in Articles 54 and 55 of its Articles of Association) has instructed its officers and directors to fully cooperate with Carma and has relieved its officers and directors of any responsibility to investigate or to determine whether or not Carma is properly carrying out its obligations as set out above.

The undersigned, as a future member of the Association, acknowledges and unanimously agrees with all other members or future members that, as set out in Articles 54 and 55 of the Association's Articles of Association, it is intended and he or she agrees that the officers and directors of the Association should fully cooperate with Carma and that all of their rights, duties and obligations that conflict with Carma's rights as set out in the Summerside Management Agreement, or any other agreement with Carma, are and have been suspended during the period of Carma's initial operation of the Association, including the period of development, planning, construction and initial operation of the Summerside Amenities, except to the extent required in order for them to carry out such cooperation.

No member of the Association or any property owner shall have any personal or legal interest in the Summerside Amenities or in any part thereof or to the proceeds of the

said encumbrances other than as a member of the Association. As well, a member's right to membership in the Association is not transferable and it only takes effect and is enforceable for so long as he or she remains an owner or tenant of such residential lot or condominium unit, or owner of such a rental project or commercial development, which is located in the Summerside Lands.

The undersigned is the purchaser of:

Lot , Block , Plan

in the Summerside Lands against which the Encumbrance is or will be registered, and the undersigned agrees to pay _____DOLLARS (\$____.00) each year hereafter, subject to adjustment, as required by the Encumbrance or such other fee as may be charged by the Association in accordance with the provisions of the Association's Articles of Association. The undersigned hereby irrevocably appoints the Association as his or her attorney on his or her behalf and for the Association's use and benefit, to execute and deliver a new rent charge Encumbrance generally in the form of Schedule D, Schedule E or Schedule F hereto, as applicable, in the event that a previous encumbrance has been foreclosed off or otherwise removed from the title to the above-mentioned lot.

This Brochure and the Schedules hereto constitute the entire agreement and understanding between Carma and the undersigned regarding the Association and its Summerside Amenities, and no representations, warranties, covenants or promises have been made by Carma save those herein expressly contained.

As Purchaser(s) of the above lot the undersigned acknowledges having read all of the attachments hereto and agrees to their terms.

H. Carma has caused the Association to be incorporated pursuant to the Companies Act (Alberta) and the Association has been organized pursuant to its Memorandum of Association and Articles of Association for the purposes of the Association ultimately owning (where applicable) and managing the Summerside Amenities, and for such other purposes which are for the common benefit of the Association's members;

I. The parties acknowledge and agree that it is their common intention that the Association will initially be managed by Carma (or its agents as herein set forth) and that the Summerside Amenities will initially be wholly engineered, developed, operated and

managed by Carma (or its agents as herein set forth), and that it is the intention of both parties that the Association will have no responsibility for any portion of the Summerside Amenities, nor have any authority regarding such management of the Association or such engineering, development, operation and management of any portion of the Summerside Amenities, until the date that the management of the Association and of the Summerside Amenities is formally transferred to the Association, all in accordance with the terms of this Agreement.

NOW THEREFORE THIS AGREEMENT WITNESSETH that in consideration of the premises and mutual covenants herein contained, the parties hereto covenant and agree as follows:

1. Carma will construct the Summerside Amenities and will equip same with such signs, facilities, lighting, equipment and landscaping as are in Carma's opinion reasonably necessary for the operation of same, all at Carma's cost.

2. Carma shall construct, develop and maintain on portions of the Summerside Lands, such improvements as Carma in its sole discretion shall determine and such improvements shall constitute the Summerside Amenities and, subject to the terms hereof, Carma shall manage and operate the Association and the Summerside Amenities until that date (the "Effective Date") which is the later of:

- (a) the date upon which Carma has sold its last lands within the Summerside Lands; or
- (b) the date upon which all monies owed to Carma by the Association have been fully repaid to Carma;

or such earlier date as Carma in its sole discretion may determine.

3. Carma may determine, in its sole discretion, prior to the Effective Date:

- (a) to transfer management and/or ownership of part of the Summerside Amenities to the Association. It is understood and agreed that Carma's rights in respect of the Summerside Amenities as herein contained shall continue unabated until the Effective Date, notwithstanding its prior transfer of management and/or ownership of part of the Summerside Amenities to the Association; and
- (b) to transfer certain aspects of the overall management of the Association to the Association.

4. On such date(s) as Carma determines, but in any event by no later than the Effective Date, Carma shall, pursuant to assignment agreements acceptable to Carma, assign to the Association Carma's interest in all agreements entered into between Carma and the City of Edmonton relating to the Summerside Amenities and the maintenance thereof and responsibility therefor, and pursuant to which the Association will assume from Carma all of

its obligations and liabilities under such agreements and will indemnify Carma in respect of same.

5. The registration and organization of the Association has been done at the sole expense of Carma.

6. Carma as the initial owner of all the residential building lots (single family and multi-family), condominium sites and commercial sites in the Summerside Lands will, upon the initial sale by Carma of each such residential building lot, condominium site and commercial site, attempt to cause the same to be encumbered by the Encumbrance substantially in the form of Schedule D to the Brochure to which this Agreement is also a schedule.

7. Until the Effective Date, Carma will either prepare or approve the operating budget for the Association, so as to allow for the proper operation of the Association and maintenance and operation of the Summerside Amenities as determined in the sole opinion of Carma acting reasonably. Such budget shall be considered in determining the Association's annual membership fees.

8. If such operating budget is not fully funded by the Association's income derived from the Encumbrances or other sources, and provided that Carma has in writing approved the amount of the annual membership fees assessed for that fiscal year, then Carma agrees to loan sufficient funds to the Association in order to meet such budgeted expenses, such loans to be repayable on demand and to bear interest from time to time at the rate of Prime Rate plus one percent (1%). "Prime Rate" shall mean the prime rate of interest charged by The Toronto-Dominion Bank, being a variable per annum reference rate of interest (as announced by the said bank from time to time) for Canadian dollar loans made by the said bank in Canada. Any income received by the Association (whether by collection of assessments through the Encumbrances or otherwise) in excess of actual operating expenses shall forthwith be used by it to repay any outstanding Carma loans in priority to any other obligations.

9. It is understood and agreed that either Carma or the Association may refuse membership, or may terminate the membership of those owners of residential building lots, condominium units and commercial sites within the Summerside Lands whose title does not have registered against it the Encumbrance and may require the registration of any such Encumbrance which has been removed from the title to their lot or lands.

10. If by the Effective Date all the residential lots or other lands owned by Carma and located in the Summerside Lands have not been sold by Carma, Carma will be entitled to sell such lots or lands subject to the right of membership in the Association and the Association and shall at that time attempt to obtain the execution and registration of the appropriate Encumbrance as may be determined by Carma.

11. On or prior to the Effective Date, Carma will, for a total nominal consideration of \$1.00, deliver to the Association a bill of sale of all chattels owned by Carma and specifically used to maintain or benefit the Summerside Amenities, and such

other documents as Carma requires to effect the transfer of the Summerside Amenities to the Association.

12. It is understood and agreed that none of the building lots or sites contained in the Summerside Lands shall be subject to an annual rent charge until title thereto has been transferred by Carma to the initial purchaser of such lot or site.

13. On or before the Effective Date, Carma will turn over to the Association all plans, specifications and operating manuals in Carma's possession relating to the management of the Association and the construction, maintenance, operation and management of the Summerside Amenities.

14. Either on the Effective Date or immediately thereafter, Carma will cause all of the officers and directors of the Association which are Carma's nominees to tender their resignations.

15. Carma when and as requested will during a reasonable period after the Effective Date make available to the directors and officers of the Association any relevant information in its possession relating to the management of the Association and the operation of the Summerside Amenities, which information shall be provided without any requirement for Carma to determine the accuracy or relevance of such information, and Carma shall not be liable for the results of the inaccuracy or irrelevancy of such information nor for any damages suffered by the Association in using such information.

16. Until the Effective Date, Carma shall have full and absolute control of the overall management of the Association, including the sole right and obligation to construct, develop, manage and operate the Summerside Amenities, and the Association, and its members, officers and directors shall have no right or entitlement to do or share in any of these functions.

17. The following management provisions shall take effect until the Effective Date:

- (a) the Association hereby employs Carma as the Association's exclusive agent to manage the Association and to operate and maintain the Summerside Amenities to and including the Effective Date without any right of the Association to cancel such management arrangement;
- (b) Carma agrees to perform the management functions set out below in the name of and on behalf of the Association, subject to the terms of this Agreement, and the Association shall not give any direction to Carma, make any investigations or exercise any control of Carma's actions as manager and hereby grants to Carma such complete and absolute authority and power as in Carma's sole opinion may be required by Carma to perform or effect performance of such management function;

- (c) If Carma assists the Association in the collection and receipt of assessments, levies, contributions and any other charges due to the Association from the members of the Association, Carma shall not be responsible for collection of delinquent assessments or other charges;
- (d) Subject to the provisions of and any restrictions contained in this Agreement, Carma shall (until the Effective Date only) cause the Summerside Amenities to be constructed, operated, managed and maintained according to reasonable standards of construction, operation, management and maintenance consistent with the character, size and location of the Summerside Amenities;
- (e) Carma shall negotiate and may execute on behalf of the Association contracts for such services as may be necessary or desirable. Carma shall also either rent or purchase, as it determines is best in its sole discretion on behalf of the Association, such equipment, tools, appliances, materials and supplies as in its sole opinion are necessary for the management of the Association and the operation and maintenance of the Summerside Amenities. All such purchases and contracts may be in the name of Carma or the Association and in any event shall be assumed by the Association as at the Effective Date;
- (f) Carma shall ensure that appropriate corporate and other legal filings and records in respect of the Association and its operations, including financial statements and accounting records, are prepared and maintained;
- (g) Carma and the Association shall cooperate in maintaining liability and property damage insurance relative to the Association in force as provided for in paragraph 18 hereof; PROVIDED that the Association will indemnify and hold harmless Carma from any loss, costs or damages arising out of any claim, suit or action made by any of its members or their guests whomsoever, relating to either claims greater than such insurance or to claims where there is inadequate insurance coverage;
- (h) Carma shall, based on the information and documents made available to it, assist the Association in keeping an up-to-date record of the names and addresses of all members of the Association of which it has knowledge;
- (i) subject to the provisions of this Agreement, the Association shall not pay any fee to Carma as compensation to it for the services to be rendered by Carma in accordance with this Agreement, but any charges for employees or professional managers employed by Carma to assist in its management function hereunder shall be paid for by the Association to Carma on demand, and this may include persons whose firms or groups are also employed by Carma regarding the Summerside Lands; and
- (j) Carma may engage or use any person, firm or company including any which is associated, affiliated or otherwise connected with it, to perform any work or services for Carma within the scope of Carma's duties pursuant to the terms

and conditions of this Agreement, without being in breach of a fiduciary or contractual relationship with the Association.

18. Carma shall provide and maintain in full force and effect during the term of this Agreement with responsible insurance companies, the following insurance:

- (a) Such general comprehensive liability insurance of such nature and in such amount as Carma shall deem advisable protecting Carma and the Association relating to the operation of the Association including the development, construction of and initial management and operation of the Summerside Amenities in respect of liability and/or damage because of bodily injury and injury to or destruction of property arising out of such activities. Such insurance shall contain a cross liability clause;
- (b) The Association shall pay to Carma to reimburse it for its actual costs in obtaining and maintaining such insurance, and where such insurance is part of Carma's overall insurance, then the Association shall pay its fair share of such insurance costs as determined by Carma's insurance brokers.

19. At any time before the Effective Date and notwithstanding anything else contained in this Agreement, Carma shall be entitled to enter into management agreements in its name or in the name of and on behalf of the Association with any person, firm or company (including any which is associated, affiliated or otherwise connected with Carma or the Association) for the administration, operation and management of the Association and the Summerside Amenities.

20. This Agreement shall be non-assignable by the Association without the prior written consent of Carma, which consent may, in Carma's sole and unfettered discretion, be withheld. This Agreement shall be assignable by Carma without the prior consent of the Association.

21. If the Association breaches its obligations as set out herein to not interfere with Carma's designing, engineering, planning, developing, constructing and initially managing and operating the Summerside Amenities and initially managing the Association, it shall pay to Carma all of Carma's costs resulting therefrom and damages suffered thereby including but not limited to the costs to Carma of all additional time spent by its employees, all additional costs of professional advisors, additional design, engineering, planning, development, construction, management and operational costs and the damages suffered by Carma resulting from such breach including any delays in completing construction of the Summerside Amenities and in the sale of its undeveloped building lots as contained in the Summerside Lands. The Association confirms its understanding that damages at law may be an inadequate remedy for a breach or threatened breach by it of this Agreement and agrees that in the event of a breach or threatened breach of any provision hereof, the respective rights and obligations hereunder shall be enforceable by an action claiming specific performance, injunction or other equitable remedy, but nothing herein contained is intended to, nor shall it, limit or affect any right or rights at law or by statute or otherwise of Carma as against the Association for breach or threatened breach of any provisions hereof, it being the

intention of this paragraph to make clear the agreement of the parties that the respective rights and obligations of Carma hereunder shall be enforceable in equity as well as at law or otherwise.

22. As the Association has no responsibility or authority with reference to the overall management of the Association and the development and operation of or the Summerside Amenities until the Effective Date, until the Effective Date the Association has directed its officers and directors to not investigate or otherwise determine whether or not Carma is complying with the terms of this Agreement, and the Association has waived any responsibility of its officers or directors to determine whether or not Carma is carrying out its obligations pursuant to this Agreement.

23. It is specifically understood that Carma is an independent contractor and that all its actions to be performed hereunder shall be carried on by Carma under its own direction and superintendents, at its own risk and according to its own methods or procedures.

24. Up to and until the Effective Date, the Association shall take all required steps to maintain its existence and shall execute all documents required by Carma for the organization and management of the Association and for the development, construction, maintenance and operation of the Summerside Amenities and without any legal responsibilities for its actions in so doing.

25. This Agreement and the Exhibits hereto constitute the entire agreement between the parties and no representations, warranties or promises have been made by Carma to the Association save those herein contained.

26. If any provision of this Agreement shall be determined by a court of competent jurisdiction to be invalid or unenforceable to any extent, the remainder of this Agreement shall not be affected thereby and each provision hereof shall be enforced to the fullest extent permitted by law.

27. This Agreement shall enure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns.

28. Amendments to this Agreement must be in writing and signed by each party hereto.

29. This Agreement and all amendments, modifications, alterations or exhibits hereto shall be governed by the laws of the Province of Alberta as to the nature, validity and interpretation thereof.

IN WITNESS WHEREOF the parties hereto have caused these presents to be executed by their respective proper officers authorized in that behalf on the day and year first above written.
